Dear colleagues,

Please find attached a few documents you may find useful if you're still tweaking your course syllabi.

Also, below you'll find a few links to teaching tips and first classes:

- Making the most of the first day of class (Carnegie Mellon University)

<https://www.cmu.edu/teaching/design/teach/firstday.html>

- Cornell University has kindly shared many fabulous teaching resources with the public.

<https://www.cte.cornell.edu/teaching-ideas/index.html>

- AUP is a member of the Consortium for Teaching and Learning (GLCA/GLAA). You may find some helpful ideas here:

<http://glcateachlearn.org/teaching-tips-archive/>

We'll be in touch again next week. Until then, don't hesitate to get in touch if you have questions, and enjoy the week!

All the best,

Rebekah
